Dear Ms. Dortch:

On October 7, 2003, the undersigned and Henry D. Levine, attorneys for the Ad Hoc Telecommunications Users Committee ("Ad Hoc"), met with Renee Roland Crittendon, Attorney Advisor - Competition Policy Division; Ben Childers, Senior Economist - Competition Policy Division; Pamela Megna, Economist - Competition Policy Division; Jon Minkoff, Senior Attorney - Competition Policy Division; Bill Dever, Assistant Division Chief - Competition Policy Division; William Kehoe, Attorney Advisor - Competition Policy Division; and Michael Carowitz, Attorney Advisor - Competition Policy Division, to discuss the proceedings referenced above.

The participants discussed the comments and reply comments filed by Ad Hoc in those proceedings as well as (1) the types of voice and data services typically sought and/or used by large enterprise customers; (2) the procurement practices and procedures they typically employ to obtain telecommunications services; and (3) the extent and degree to which those practices elicit multiple responses from competing telecommunications service providers.

Pursuant to Section 1.1206(b) of the Commission's Rules, 47 C.F.R. § 1.1206(b), copies of this letter have been filed with the Office of the Secretary and the parties identified below.

Sincerely,

A handwritten signature in cursive script that reads "Colleen Boothby". The signature is written in dark ink on a light-colored, slightly textured background.
